Get to Know RDS!

My name is Soobin! I joined Royal Day Solutions in 2023 to meet new friends and develop my job skills. You can find me running our reception desk, where I organize our files and help everyone with signing in. I have a cabinet of my most important and influential coaches on standby to help advise and support me—they're my crew! Outside of the office, I focus on staying positive and getting along with all of our staff and participants. I believe we should help each other and not be bullies to keep Royal Day Solutions a friendly and respectable day program. If you see me at the front desk or out in the community, be sure to say hi!
